**From:** Engineering Department

**Subject:** NStar Petition – Forest Road – Proposed Utility Pole

---

We have reviewed the petition from NStar to locate a utility pole numbered 18/10A on Forest Road 930' +/- from Hosmer Street between 11 and 13 Forest Road.

NStar may need to obtain an easement from the private landowner at 11 or 13 Forest Road since the utility pole and the anchor guy could possibly be located on private property. The Town does not have the authority to grant permission to NStar to place utility poles if they are located on private property. Attached herewith is a copy of the recorded plan for 11 and 13 Forest Road.

Please let us know if you have any questions or comments regarding this matter.
